RE: Application of Carolina Water Service, Incorporated for Approval of an Increase in Its
Rates for Water and Sewer Services
Forty Love Point Homeowners' Association Sewer Service Report
Docket No. 2017-292-WS

Dear Ms. Boyd:

Please allow this letter to serve as ORS' report for the month of June 2019 in response to Commission Order No. 2018-677. In the order, the Commission requests the ORS to monitor the work committed to by Blue Granite Water Company (BGWC) at Forty Love Point and report to the Commission on a monthly basis.

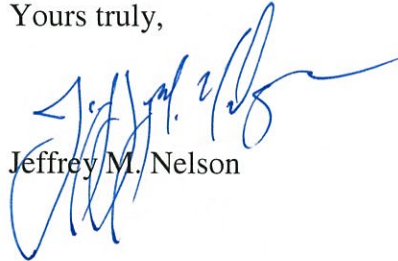

As stated in the report for the month of May 2019, BGWC has completed the construction on the long-term solution for the Forty Love community sewer problems, which is a wet-weather lift station, and the lift station is operational and was issued the final permit to operate by DHEC on May 16, 2019.

For the month of June, ORS did not receive any customer complaints for sewer service from residents of Forty Love Point. No one from the community contacted ORS about sewer related issues.
